

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy providing products which energize both their dealers and their partners and provide production gains to their customers.

The TREK team of staff enjoys new challenges and new tasks. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' requirements and skills combined with their comprehension of cleaning applications, together with owners' strong desire to significantly lower cost through productivity gains.

When needed, the employees within TREK and its numerous dealer members in both technical support and parts will be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery functioning and ready everyday is top priority. The company's top of the line technology delivers reliable equipment which ultimately lowers your cleaning cost. The product, the price and the service all work as one so as to make them the leader in the industry.
