

Fork Mounted Sweepers

Fork Mounted Sweeper - This attachment makes industrial sweeping tasks much easier to accomplish. The versatile lift truck mounted broom is meant for use with either dry or wet material clean ups. It can push snow and squeegee water without difficulty. This attachment is usually used in order to clean debris from docks, parking lots, warehouses, construction sites and virtually everywhere it is required. The forklift sweeper is a low maintenance attachment that utilizes quick-tite blade products to easily connect to the forklift.
